CELEBRATING CIVIL ENGINEERING IN KENT AND NEPAL

7th Feb 2020, Hythe in Kent

Over 40 Engineers participated in the talk program 'Celebrating Civil Engineering in Kent and Nepal: Opportunities and Challenges' jointly

organised by SONEUK and Institution of Civil Engineers (ICE) which was a success. Facilitated by Malcolm Peak, ICE Membership development officer, the program began with Health and Safety briefing by SONEUK member Bishal Rana. This was followed by two interesting & well-received presentations by Dr Binod Lal Amatya from SONEUK on the necessity of an underground Metro Rail in Kathmandu, and Josh Fletcher from ICE on 'History, purpose & future of Rochester Bridge Trust'.

Welcoming the attendees, SONEUK Chairperson Shailendra Kajee Shrestha thanked ICE for hosting the event with SONEUK and also expressed his willingness to host similar events in the future. Similarly, Patrick Courtney, ICE International Membership Recruitment Manager was impressed with the programme and also expressed his desire to work closely with Nepalese Engineers, expanding ICE membership through diversity.

The programme lasted for three hours in the evening with delicious Nepalese cuisine, and allowed the participants for further networking. It was a great opportunity for SONEUK to bring our working relationship even closer to ICE

WOMEN IN TECHNOLOGY
